## Design 2

## Design 3

## Design 4

**The first four pages of the PDF contain images of designs that I created during my internship with Coheaven. I wanted to share these as part of my work experience and design contributions.**

## **Logo Design 1**

**I have also included another design that features a logo. I created this logo in April 2024 for a startup we launched at that time. I wanted to showcase this as part of my design work.**
